

## **Related Services**

Concerning MyBusinessQuest we offer a set of additional services that will help you to achieve the greatest benefit from the assessment methodology.

### **MyBusinessQuest Assessment Support**

We do trainings, preparation, planing and performing of assessments. Afterwards we present the results, moderate the workshops and can help you managing a process improvement project.

### **MyBusinessQuest adaptation and Enhancements**

MyBusinessQuest is not enough? No problem. Your specific processes can be modelled and together we can produce a perfect new Quest-Tool, which exactly depicts the needs of your organization. Together with your skilled personnel we will capture the structure of your processes and the result will be an assessment tool which enables you to perform assessments efficiently and fast - exactly as you like them.
